B13 is in team A's goal crease. B4 shoots the puck on net and B13 deflects the puck for a goal. The referee waves off the goal as B13 preceded the puck into the crease and had an effect on the play. Where does the next face-off go? (Rule 7.3b, HC Rule Book)

Correct

- a) Team B's end zone face-off.
- b) At a neutral zone dot outside of team A's end zone.
- c) At a neutral zone dot outside of team B's end zone.
- d) Team A's end zone face-off.

The puck hits the post and breaks. Part of the puck goes in the net and part goes into the corner. Is this a good goal? (Rule 10.4a)

Correct

- a) Good goal, always.
- b) No goal ever.
- c) Good Goal so long as more than half the puck entered the net.

The Linesperson realizes that an icing has been missed when Team A shot the puck down the ice. Team A scores a goal because icing was not called. What should the Linesperson do? (Hockey Canada 5.3d, Situation 7)

Correct

- a) nothing. The goal was scored. Move on.
- b) report the icing to the Referee even though nothing can be done. Referee will explain to team B.
- c) report the icing to the Referee. The Referee may disallow the goal and allow the icing to be applied.

Elimination game. Third period. 1:03 left. 2-1. Goaltender B cuts down the angle by coming out of her crease and catches the puck causing a stoppage. Should the referee assess a delay of game penalty for freezing the puck outside of the crease? (Rule 10.3b Situation 3, point 2)

Correct

- Yes, black and white. The goaltender was not in her crease
- No, the goaltender may freeze the puck if she was cutting down the angle.
- No, goaltenders are permitted to freeze the puck anywhere on the ice at any time.
- No, goaltenders are permitted to freeze the puck anywhere on the ice if the game is in the final two minutes of an elimination game.

Team A is about to get a penalty while play is in their end. Team B has the puck and shoots at net; goalie makes the save and stops play. Both Team B's defense come below the top of the circles but no further penalties are called. Where does the next face-off take place? (HC Rule 4.13a point 3)

Correct

- a) In team A's end
- b) at a neutral zone dot outside of team A's zone
- c) at the face-off dot outside of team B's end
- d) in team B's end

For the purpose of assessing a game ejection to a player with 3 head contact penalties in minor or female hockey, what does a 2 + 2 for head contact represent? (HC Rule 6.5c)

Correct

- a) 1 out of 3 penalties
- b) 2 out of 3 penalties
- c) 3 out of 3 penalties

What is the signal for "too many players on the ice"? (P. 3 of HC Rule Book)

Correct

- a) downward pointing finger making a circle

- b) flat palm in front of the face
- c) six fingers (one hand open) in front of the chest
- d) the number of fingers indicating the number of players on the ice

Who is allowed to call a time out? (HC Rule 10.17f)

Correct

- a) Coach
- b) Assistant Captain or Captain
- c) Any player designated by the coach, no restriction as to who that player is.
- d) Any player on the ice.
- e) A or C

Select all that apply. What are the penalty options for spearing? (Rule 8.5, HC Rule Book)

Correct

- Minor
- Double-Minor
- Major & Game Misconduct
- Match
- Double-Minor & Gross Misconduct
- Minor and Game Misconduct

Team A ices the puck, but icing is incorrectly not called. Team A scores a goal. The liner informs the referee that icing should have been called. The referee disallows the goal. Where does the next face-off take place? (Hockey Canada 5.3d, Situation 7)

Correct

- a) Center Ice for an error on an icing call.
- b) In Team B's end as though the goalie covered the puck.
- c) In Team A's end, just the same as if icing had been called.
