PRESIDENT'S MESSAGE

Welcome to the 2025/2026 Hockey Season.

There are several new things for this season. Our AA/AAA combined programs will continue to change to provide a consistent opportunity and platform for our young athletes by bringing the Girls'/Women's AA and AAA teams under the umbrella of the High Performance Council. Hockey Winnipeg is pursuing strategic partnerships that will hopefully bring more awareness of what we do and attract more families to our organization.

Hockey Winnipeg is a volunteer run organization. I want to thank all the volunteers for the hours they put in to run our programs. I would also like to thank the staff at Hockey Winnipeg; they do a great job.

Hockey is a great game and we have programs for all skill levels. The main goal is for the participants to have fun, no matter what level they are playing at.

Please treat everyone with respect and have a great season.
